

Mission Statement

Society of Families Steering Committee Colgate University

Established in 1954, the Steering Committee is a volunteer organization consisting of parents and grandparents of current Colgate students, representing all four class years. Members are selected annually. Terms of office runs from the fall to spring semester. Meetings are held twice yearly on the Colgate campus; in the fall during Family Weekend, and on a designated spring weekend.

Mission Statement

To enhance and facilitate communications between Colgate and the parent body on topics of interest or concerns to parents.

To gather as an advisory cabinet as a resource to the President of the College and to the Dean of Students to reflect on and analyze issues and challenges facing Colgate, as well as offer advice and counsel to aid the administration as Colgate seeks to become one of the leading liberal arts universities of the 21st century.

To mobilize parent resources in support of the programs and activities at Colgate by supporting Colgate with a leadership gift, soliciting financial support from other parents, and hosting a parent reception at their home or club.
